

RIDING IS FUN!

Our very own Equestrian Instructor **MARTINE HOWES** heads our English Horseback Riding Program! Martine brings her high energy and enthusiasm as well as her years of teaching and riding experience to our Birchmont program. Martine is eager to implement many new and exciting ideas to benefit our riders. Whether they be novices or experienced riders, your camper(s) will be taught individually at a level at which they are comfortable. Coupled with our fabulous riding ring, groomed trails and new barn, your child is provided with the **BEST ON-SITE FACILITIES** in camping today!

BIRCHMONT'S OPTIONAL HORSEBACK RIDING PROGRAM

It is **extremely important** that you outfit your child with the appropriate equipment. We do not want our riders borrowing "ill fitting" equipment from friends or siblings due to the obvious safety and health concerns. We appreciate and anticipate your full cooperation in this regard.
